For those who eat in the Sukkah on Shmini Atzeret, the Velzer Rebbe recommended that they invite the Ushpizin of Yisro into the Sukkah. The Rebbe explained that when adding a day of eating in the Sukkah we should invite Yisro who had the zechus of adding a parsha to the Torah. The Rebbe himself would also invite the Ushpizin of Yisro into the Sukkah when he celebrated the "gezaygennen" from the Sukkah with a light Kiddush on Shmini Atzeret and he would do so with the following nusach

במטו מינך יתרו אשפזיזי עלאי דיתבי עמי ועמה אנשי אמת שנאי בצע שרי אלפים שרי מאות שרי חמישים ושרי עשרות

The Rebbe explained that Yisro added to the Torah the parsha "V'attah Sechzeh" and you shall see. Somewhat similarly we (gezaygen zech fin), say goodbye to, the Sukkah, saying we'll see you next year. Hasta la vista.
