GMAR CHASIMA TOVAH!

Refreshments After The Fast Sponsored By M/M Jimmy Salamon

"With all the calorie laden sweet honey dipping on Rosh Hashannah the Velzer Rebbe advised his chasidim to be careful with their diet and eat healthy, harm-free foods during the remaining Asseres Yemay Teshuvah. The Rebbe pointed out that in parshas Nitzovim which is usually read on Shabbos Shuva, we are told that if we observe the Mitsvos, Hashem will bless us "b'free vitnecho, uv'free vehemptecho, uv'free admosecho". The Rebbe went on to explain as follows: free vitnecho refers to foods that are gluten free; free vehemptecho refers to foods that are fat free and free admosecha refers to foods that are sugar & salt free."-Rabbi Mei Teitelbaum
